

David Brawner, candidate for AMYA President, will hold an online Webinar chat gathering Monday 30 August at 8pm EDT. This is open to all.

The topic will be the hobby side of the AMYA and the business side and why the difference is so important in this election.

It is easy to join. Go to the link to this link and register:

You will then receive an email with a link specific to you for logging into the chat session. There will be information regarding the communications. A cheap gaming boom mike headset would be convenient. Once in the session you will hear all present and speaking as if gathered on your patio.
